SIX POWER-PACKED INVESTOR TRUTHS

01

A zippy drive from Gurugram, Southern Peripheral Road and Kundli-Manesar-Palwal Expressway. FINAL opportunity to get the 'right-sized right-priced' residences. Close to NCR's power centers. Surprisingly close to nature as well.

02

The resurgence of real 'real estate'

Cut away from over-heated, over-priced market trends. Book into a future-ready residential offering that harnesses into the demand for scarce, strategically located land.

03

Ideal for end-user community,

perfectly contoured and primed towards easy liquidation.

04

Large-sized residences,

the way North India used to love living a resplendent life. At never-again prices primed for growth.

Don't miss points 5-6 ▶

05

*Rare biophilic,
clean, green,
naturally-endowed*

ecosystem and surroundings. Close at hand, state-government planned world's largest jungle safari at 10,000 acres, featuring a herpetarium, aviary, big cat zones, herbivore section, sections for exotic birds and animals, underwater world, nature trails, botanical gardens and diverse biomes.

THE *RISE* & *RISE* OF NCR & GURUGRAM

Gurugram, Millennium City, with the rapid industrialization in the early 80s, starting with collaboration of Suzuki Motors, Japan with Maruti Udyog Ltd. lay the foundation for unprecedented urbanisation.

PERFECTLY POSITIONED

Delhi NCR is India's largest regional economy (USD 370 Bn), contributing nearly 8% to the national GDP.¹

The National Capital Region, comprising of Haryana, U.P., Rajasthan & Delhi is spread across **55,000 km² (Approx.)**, of which Haryana occupies 25,327 km², which is **46% of the NCR.**

Gurugram ranks 2nd in IT with over 250 Fortune 500 companies.²

The NCR region attracted 25% of India's FDI (Apr-Dec 2018-19).³

Hosts 100+ industrial estates, with strongholds in automotive, electronics, apparel, dairy, MSMEs, Consultancies, IT-ITES and Real-Estate.⁴

Global employers include Google, Microsoft, Accenture, Deloitte, TCS, IBM, and others.⁴

Gurugram offers one of India's highest per capita incomes.⁵

URBAN EXPANSION OF DELHI

Built-up area of the NCR Region

Delhi's population is spreading outward due to suburbanization and de-concentration from the city core, boosting growth in areas like Gurugram and Noida.

Gurugram, in particular, has emerged as a key employment hub, attracting a significant migrant population. The influx of people into the region has led to a rising demand for housing over the years.

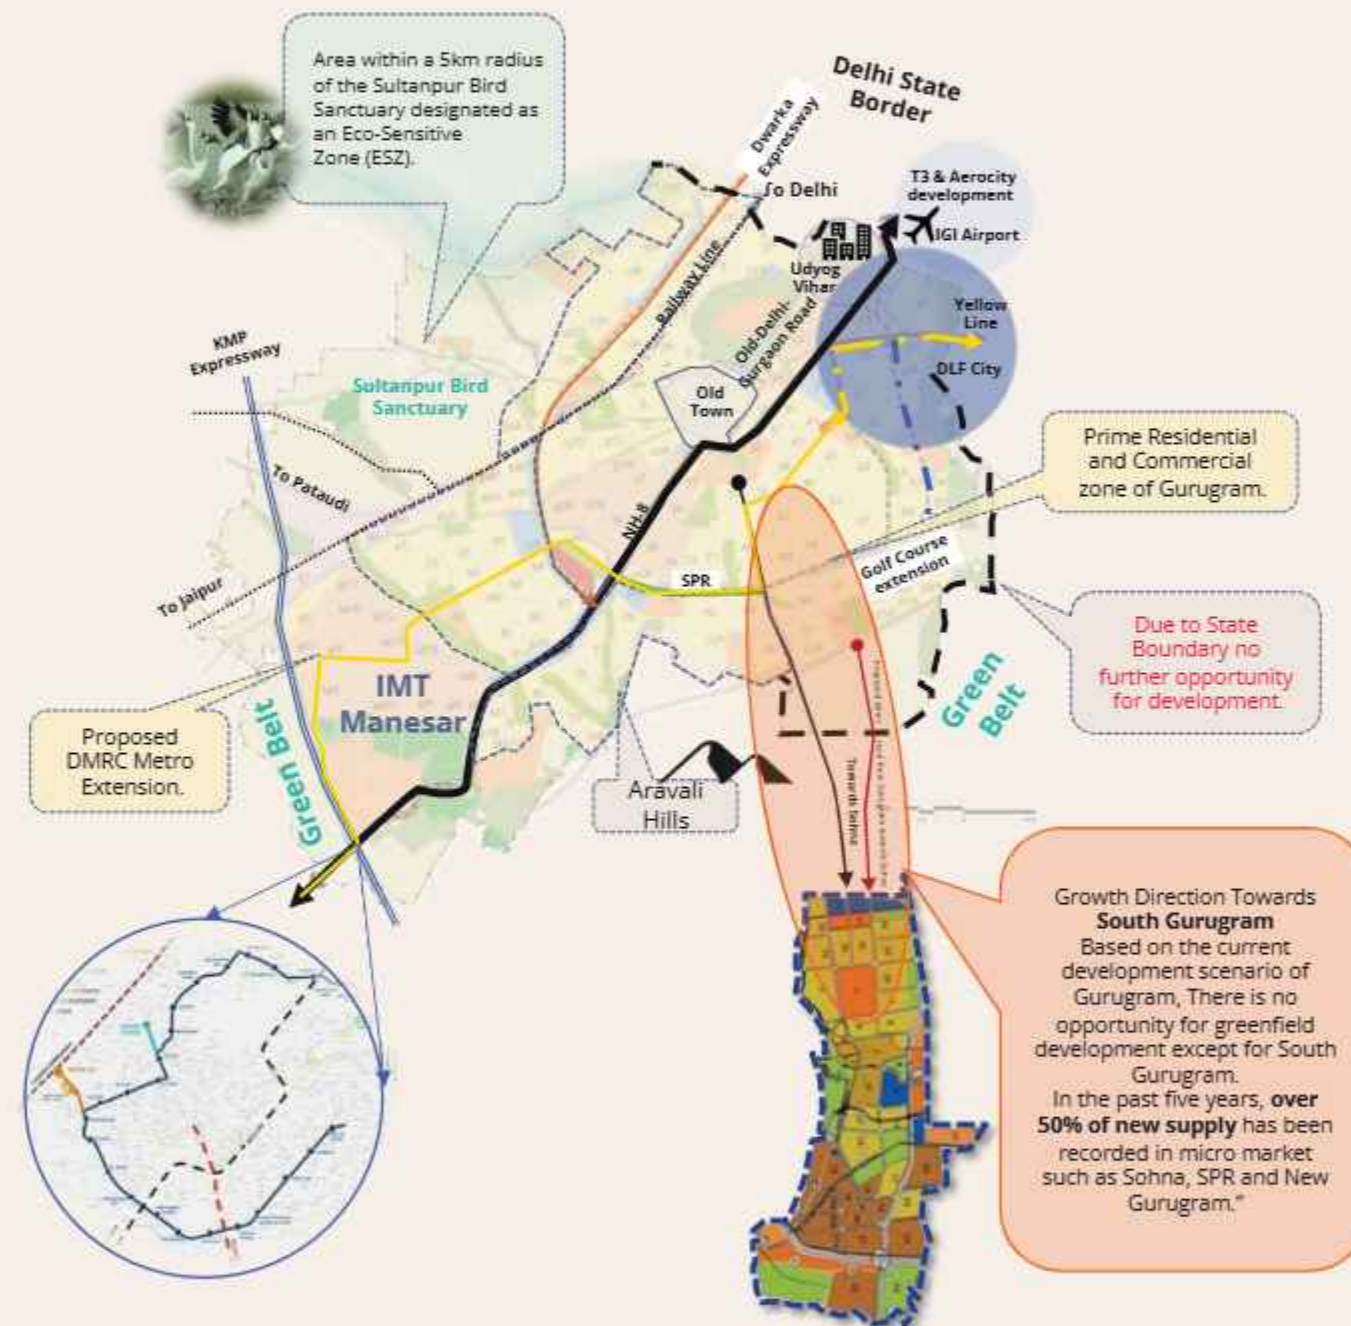

Year	Built-up Area (sqkm)	Growth (%)
1990	1,069	
2000	1,290	21%
2010	1,843	43%
2020	2,547	38%

The NCR region has witnessed a ~138% rise in built-up area since 1990, with the southwestern part emerging as the primary growth zone due to infrastructure projects, employment opportunities, and other government initiatives.

Note: Built-up area refers to the total area covered by buildings, roads and other infrastructure within a city.

Source: Colliers' report on Sohna as an emerging strategic investment hub

GURUGRAM'S FUTURE GROWTH DIRECTION

The Sohna micro-market is rapidly emerging as one of the most lucrative destinations for homebuyers and investors, thanks to robust new residential supply, abundant land availability, ongoing infrastructure upgrades, and enhanced inter-city connectivity. With the Haryana government actively promoting Sohna as a strategic growth corridor, the region is witnessing well-planned urban development. Land prices in Sohna remain comparatively affordable, enabling the creation of expansive, self-sustaining townships and integrated residential projects for discerning buyers and working professionals, this translates into high-quality living spaces with strong potential for future appreciation.

MAJOR MILESTONES OVER THE YEARS

1861

The District of which Gurugram was a part of was arranged into 5 Tehsils: **Gurgaon, Firozpur Jhirka, Nuh, Palwal and Rewari.**

1966

Haryana was formed as 17th state of India.

1967-82

Formation of Haryana Urban Development Authority (HUDA) + Maruti setting up plant + emergence of Udyog Vihar as auto ancillary & textile hub.

1991-2007

DLF begins real estate projects + expansion of NH-8 + Genpact as an unit of GE started operations + IMT Manesar + Gurugram Masterplan.

Delhi Gurugram Expressway inaugurated + Delhi metro line reaches Gurgaon + IGI T3 inaugurated + Sohna Masterplan 2031 notified.

2017-19

SPR completion + 22,000 units launched in Sohna + Gurugram Metropolitan Development Authority formed.

2020-23

Expansion of IGI Airport + Sohna Elevated Corridor completed.

Representative Image

2024-25

Infrastructure Development Plan for Gurugram-Manesar Urban Complex, 2041 + Dwarka Expressway final phase inaugurated.

2026-30

Proposed completion of 1,000-acre Global City + 10,000 acres Jungle Safari + Gurugram Metro expansion project.

HIGH DEMAND IN KEY AREAS

Micro-markets like Sohna Road, Golf Course Extension Road, and Dwarka Expressway have become popular, attributable to connectivity to central business districts, access to quality social infrastructure and developments featuring lifestyle-enhancing amenities. However, in some cases, this has also led to high demand and over-heated prices.

Cost of Gurugram realty launches doubles in 2024

By Faizan Haider, ET Bureau - Last Updated: Feb 04, 2025, 09:18:00 AM IST

Synopsis

Gurugram, one of India's top realty markets, saw a significant rise in luxury project launches worth Rs 88,000 crore in 2024, up from Rs 45,000 crore in 2023. This surge reflects the growing demand for upscale properties. Noida and Lucknow also experienced notable real estate investments and project launches.

Representative image

Gurugram—one of India's top realty markets—saw a near doubling of new project launches to a record Rs 88,000 crore in calendar 2024 as developers continued to sharpen focus on pricier luxury projects with larger apartment sizes. Projects worth Rs 45,000 crore were launched in 2023.

Data from the Haryana Real Estate Regulatory Authority (RERA) showed 239 projects were launched in Gurugram in 2017 costing Rs 64,000 crore. However, in 2024, only 124 projects were launched but the total value was much higher

IHCL ANNOUNCES THE SIGNING OF A TAJ HOTEL AT SOHNA ROAD, GURUGRAM

Mr. Arman Gupta of Taj Group with Ms. Soma Mehrotra of IHCL

MUMBAI, 30/11/2024 - IHCL Indian Hotels Company (IHCL), India's largest hospitality company, today announced the signing of a new Taj hotel in Gurugram, Haryana. This greenfield project will be branded as Taj, marking the company's continued expansion in key markets in India.

Speaking on the occasion, Mr. Soma Mehrotra, Executive Vice President, Real Estate & Development, IHCL, stated, "Gurugram's strategic location, coupled with its proximity to industrial corridors and Delhi-NCR, has made it a thriving commercial hub. The new development will offer a premium experience that caters to the diverse segments, including both MNC and weddings. We are delighted to partner with Taj Group to develop this hotel."

Good news! Delhi-Mumbai Expressway To Cut Maharani Bagh-Sohna Travel Time To 25 Minutes

This stretch will allow easy passage from Maharani Bagh in South East Delhi to Sohna in Gurugram. It will not even travel time to 25 minutes, currently it takes 2.5 hours.

Updated: Nov 11, 2024 14:25 IST

There is a great news for commuters which can ease their travel experience along Delhi-Gurugram. The much anticipated Delhi-Mumbai Expressway's main section is likely to be

Sohna emerges as the third largest real estate micro-market in Gurgaon

By Faizan Haidri, ET Bureau | Last Updated: Oct 28, 2024, 06:51:00 PM IST

Synopsis
Sohna micro-market in Gurugram has risen significantly in residential supply, now the third-largest market after Dwarka Expressway and New Gurgaon. Improved infrastructure and developer activity drive this growth. Notable projects by Signature Global and others have emerged. Property values have nearly doubled since 2019 and prices rose 13% in 2024.

SOHNA: SOCIAL INFRA

*THE MAGIC OF GURUGRAM OR
THE GOLDEN OPPORTUNITY
OF SOHNA. YOU DECIDE.*

Located in the foothills of the picturesque Aravalli Hills, Sohna is blessed with seamless accessibility and hassle-free travel via the Sohna Elevated Corridor, Delhi-Mumbai Expressway and the KMP Expressway. Owing to the gradual decline of land parcels in Gurugram, Sohna is expected to emerge as a new residential hub of NCR, offering all the primary advantages of Gurugram with just a short drive and at significantly lesser price point.

In addition, the development of IMT Sohna and presence of some of the large conglomerates on Sohna Road in Gurugram will foreseeably drive the demand for Sohna as a prime residential market. Added to these magnificent credentials of a great location are the lush greens and fresh air that make Sohna a compelling option for the ones seeking a good living, with a beautiful communion with nature.

Representative Image

Representative Image

LOCATION

Let's dive into the reasons behind Sohna Road's investment potential and the developments shaping this corridor.

Proximity to Key Hubs

The area's closeness to Gurugram, which is one of India's leading business hubs, and the rapid expansion of its infrastructure, makes Sohna Road an attractive alternative. It also provides easier access to top educational institutions, hospitals, and malls.

Representative Image

STRATEGIC LOCATION

Sohna Road connects Gurgaon (Gurugram) with the South Haryana region, specifically Sohna. Its proximity to Delhi, Gurugram, both the Indira Gandhi and Jewar International Airports,

the appeal of the 10,000 acres jungle safari, (one of the world's largest) makes it an attractive location for both residential and commercial developments. It also offers easier access to important highways and expressways, including the Delhi-Mumbai Industrial Corridor (DMIC).

Infrastructure Developments:

The Government of Haryana, in collaboration with other authorities, has been focusing on the development of infrastructure along Sohna Road. This includes new expressways, improved roads, and better connectivity. All these developments have significantly boosted the real estate market in the region.

Representative Image

Representative Image

INFRASTRUCTURAL STORIES AND *DEVELOPMENTS AROUND SOHNA*

Dwarka Expressway and Southern Peripheral Road (SPR):

The completion of the Dwarka Expressway, which connects Delhi and Gurugram, and the Southern Peripheral Road (SPR), which connects sectors of Gurugram to Sohna Road, has dramatically improved connectivity.

KMP Expressway:

The Kundli-Manesar-Palwal (KMP) Expressway, which links Sohna with major industrial zones and commercial hubs, is another significant infrastructure project. This expressway enhances Sohna Road's connectivity to the rest of Haryana and beyond.

Industrial Development:

The government is promoting the development of industrial hubs like the IMT Manesar and Khushkhera-Bhiwadi-Neemrana Investment Region near Sohna Road. These industrial corridors will increase job opportunities, further boosting demand for both commercial and residential real estate.

Source: <https://mca.gov.in/projects/industrial-cum-residential-development-programme/khushkhera-bhiwadi-neemrana-industrial-area-report.htm>

IMT SOHNA

IMT Sohna is an industrial development planned by HSIIDC. Spanning approximately 1500 acres, it is strategically located at the intersection of NH-248A and the Kundli-Manesar-Palwal Expressway, about 5km from Sohna City Centre.

Out of this, 500 acres has already been allocated by HSIIDC towards Electronics Manufacturing Cluster 2.0 (EMC) and rest for IT & Automobile Industries among others. The township has allocated over 13,000+ sq.m. for employee housing and hence real estate prices in the vicinity have shot up.

Source: <https://hsk.org.in/activities-and-services/infrastructure-development/industrial-cluster-at-sohna-palwal/electronics-manufacturing-cluster-at-imt-sohna-palwal>

Representative Image

EMC 2.0

Representative Image

The township would be home to an **Electronic Manufacturing Cluster 2.0 (EMC 2.0)** which targets **Electronics System Design and Manufacturing (ESDM)** with verticals like consumer Electronics, Industrial Electronics, defence, IT Systems & Hardware, Telecom, Strategic Electronics Including Defence, Medical

Electronics, and Aerospace & Defence. Prominent battery manufacturer, ATL Battery, is already investing Rs. 7200 cr in IMT Sohna and would be creating employment for over 6500+ people while Lumax and Delta electronics are in talks with the government. The major infrastructural developments will include the following :

	Sq. m.	Acres
Business Trade and Convention Centre	25,000	6.17
Tool Room and Design Centre	22,000	5.43
Startup Facilitation Centre	5,000	1.23
Commercial Centre	18,000	4.44
Ready Built Factories	74,000	18.27
Total	1,44,000	35.52

Source: <https://hsk.org.in/activities-and-services/infrastructure-development/industrial-cluster-at-sohna-palwal/electronics-manufacturing-cluster-at-imt-sohna-palwal>

ATL BATTERY*

Japanese firm Amperex Technology Limited (ATL), a subsidiary of TDK Corporation, has acquired 178 acres of industrial land in IMT Sohna, Haryana, for ₹550 crore.

Key features:

Location: IMT Sohna, Sector-20, Block 'C'-Indri, Haryana.

Land Acquisition: 178 acres purchased from HSIIDC at ₹3.05 crore per acre.

Investment: ₹7,083 crore planned over six years.*

Employment: Estimated to generate over 10,000 direct jobs.

Production Capacity: 220 million lithium-ion battery units annually.*

Target Industries: Smartphones, two and three-wheeler electric vehicles.

*Source: <https://theprint.com/india/atl-battery-11-february-2020>

WHAT'S AROUND

THE WORLD'S LARGEST JUNGLE SAFARI

The World's Largest Jungle Safari, covering 10,000+ acres. Haryana will develop the world's largest safari park, on the Aravalli Range, covering Gurugram and Nuh districts. The park will include various attractions such as big cat zones, aviaries, herpetariums and nature trails, aiming to boost tourism and local employment.

The Ministry of Environment, Forests and Climate Change and the Haryana Govt. will work together to implement the jungle safari project. Additionally, the Central Zoo Authority conducted a feasibility assessment - with the goal of the project to preserve the location's rich ecosystem and the Aravalli mountain range, boosting the local economy, generate employment and drive revenue through tourism. The Government's 'Homestay Policy' also aims to generate incremental revenue.

The Aravalli Range hosts a rich variety of wildlife, including numerous bird species, mammals and butterflies. According to a recent survey, the region is home to 180 bird species, 15 mammal species, 29 aquatic and reptilian species and 57 butterfly species.

LEOPARD TRAIL

Approx. 25 km from Sohna with a commute time of 30 mins, Leopard Trail is a nature's splendour offering exhilarating experiences including culinary delights, breathtaking vistas, thrilling adventures like hiking, zip-lining, rock climbing, paramotoring and many more.

DAMDAMA LAKE

Situated in the vicinity of Sohna Fort, it's an aesthetically-pleasing man-made lake that is surrounded by the picturesque Aravalli range of hills. The peaceful setting captivates most picnickers, families taking an outing, and for taking leisurely walks. Boating, fishing and bird-watching are common pursuits for visitors.

GHAMROJ WATERFALL

Approx. 12 km from Sohna with a commute time of 25 mins, discover a peaceful natural waterfall tucked in the Aravalli hills, popular for quick hikes and serene escapes, especially during the monsoon season.
