Broadway Buzzing

Nobody is looking for retail stores anymore, everybody wants a “retail destination”. A place where they don’t just get to shop but hang out and have a good time with friends and family. Events help a shopping centre build customer loyalty, retail destination awareness that keeps the mall at the front of shoppers’ minds, and boosts a mall’s social media presence when shoppers tag their malls in their feeds. When a shopper goes out they want that day to be special and memorable, and events are just the way to do it.

Diwali Celebration

Diwali, the festival of lights, was a magical night at Iris Broadway full of fun activities, song, and events like magic show, live music, and diya making.

Independence Day

The spirit of patriotism soared high on Independence Day at Iris Broadway with a fun and memorable kite flying event relished by all children and adults alike.

Christmas Day

Christmas was as merry as ever with live acoustic music and a beautiful Christmas tree gracing the event spreading cheer and jowly among the shoppers at Iris Broadway.

Flea Market

Iris Broadways regularly organises flea markets in its premises that offer a wide range of products including a diverse selection of traditional clothing and souvenirs.

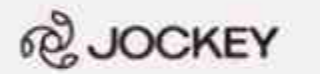

Graffiti

Graffitis immediately add character and life to dull spaces that require a little bit of "oomph". Instead of painting the walls in a particular shade throughout the building, wall art imparts an artistic impression and also adds a bit of culture and razzmatazz to a shopping space, which especially attracts a lot of attention from the youth.
